VENUE

Myeongdong

Myeong-dong is Seoul's shopping mecca and is a must-see for tourists, but it is not just a shopping destination; Myeong-dong is also a center of commerce, banking and culture with a daytime population of 1.5-2 million. For shoppers there is a mixture of street stalls and retail outlets selling everything from high fashion to casual attire as well as many Korean cosmetics stores offering high-quality products at competitive prices.

Namdaemun Market

Namdaemun Market is the largest and best general wholesale market in Korea. It is known for offering virtually every product imaginable, including clothing and textile products, everyday items, kitchen utensils, handicrafts, accessories, imported merchandise, food, miscellaneous articles, farm and fishery products, and much more to wholesale and retail customers nationwide inexpensively.

We welcome you to the wonderful Myeongdong. See you then!

1st International Conference &
5th International Workshop on

VOLCANIC HAZARD MITIGATION

Integrated Interdisciplinary
Research & Development
on Volcanic Hazard Mitigation

March 30(Wen) – April 1(Fri), 2016
Golden Tulip M Hotel, Seoul, Korea

Hosted by

Co-sponsored by

WELCOME !

Dear Colleagues,

We cordially invite you to join us for the 1st International Conference on Volcanic Hazard Mitigation (**VHM 2016**) organized by the Korean Society of Volcanic Hazard Mitigation, which will be held from March 30 to April 1 in Seoul, Korea.

Under the theme of "Integrated Interdisciplinary Research & Development on Volcanic Hazard Mitigation", **VHM 2016** will focus on volcanic disaster prevention. **VHM 2016** will be an excellent learning experience in the field of "Volcanic Hazard Mitigation" for all participants.

The **VHM 2016** is the first international conference hosted by the Korean Society of Volcanic Hazard Mitigation. Join us to share and learn about the most recent advances in related fields and improve your social network in our ever-shrinking global community. The organizing committee is also planning unique and various social programs where all participants may enjoy fascinating Korean culture and the warm Korean spirit of friendship.

We are committed to ensuring that this conference will be a valuable and enjoyable event for everyone attending. All members of the organizing committee of **VHM 2016** look forward to meeting you in Seoul, Korea.

Best regards,

Prof. Waon-Ho Yi
Chair
VHM2016

CALL FOR ABSTRACTS

Those who are interested in our topics are invited to submit an extended abstract (2 or 4 pages) online by January 24th, 2016. Please check our official website (www.vhm.or.kr). The program committee will review all abstracts, and if accepted, the author will be notified by January 31th, 2016.

Topics

The conference will focus on,

1. Development of Risk Assessment Technology for Volcanic Disasters
2. Development of Mitigation Measures and Risk Management Technology for Volcanic Disasters with respect to Ash Dispersion
3. Development of IT-based Response System for Volcanic Disasters
4. Development of International Collaborative Network for Volcanic Disasters
5. Disasters in General
(but not limited to the above)

Proceedings

The papers will be published in the conference proceedings, and the instruction and template for the paper will be available on our official website (www.vhm.or.kr).

KEY DATES

- Abstract Submission ▶ **January 24, 2016**
- Notification of acceptance ▶ **January 28, 2016**
- Pre-Registration ▶ **February 24, 2016**

* All speakers must make a payment by March 11, 2016, in order to have their accepted papers included in the proceedings and scheduled presentation.

REGISTRATION

On-line registration and credit card payments will be available at <http://vhm2016.vdpedia.org/index.html#registration>

Registration Fees

Category	Pre-Registration (Until Feb. 24)	Registration (After Feb. 24)
Regular	USD300	USD350
Student	USD150	USD175
